## 2011 A.S. Fee Initiatives

1) **College Bound [FAILED]**: The College Bound Fee, collected and administered by Associated Students, will create an outreach and tutoring program that would serve underrepresented/underserved youth in the Santa Barbara County. This program will be modeled after the current UCSB Upward Bound and the America Reads/America Counts programs and will expand to include Junior High students, a community currently not served by UCSB tutors. It will provide additional tutoring jobs for undergraduates & graduate students in multiple schools throughout Santa Barbara County. It will also create an extension of the AR/AC and Upward Programs, expanding resources for such services as tutoring, SAT prep, Saturday College, mentoring, college tours, and other academic and financial aid workshops beneficial to future college students. The Community Affairs Office of the Associated Students will administer the College Bound program.

Do you approve a new fee of \$4.00 per undergraduate student for Fall, Winter, Spring and Summer quarter to support College Bound (\$2.80 will go to College Bound, \$1.00 is for return to Aid, an

administrative assessment of \$0.17 will be charged to all non-capital expenditures, and \$0.03 is for the AS recharge fee)? If passed, this fee would begin Fall, 2011 and be subject to reaffirmation Spring 2013.

2) **La Cumbre [FAILED]**: Do you approve of a \$2.91 fee increase per undergraduate student for Fall, Winter, and Spring quarters to support the La Cumbre Yearbook (\$2.04 goes to the La Cumbre, \$0.73 is for Return to Aid, an administrative assessment of \$0.12 will be charged to all non-capital expenditures and \$0.02 is for the Associated Students recharge fee; no additional fee is being requested for summer)? The fee will be used for increased annual production costs. The fee is in addition to the \$0.84 per academic quarter and \$0.56 per summer quarter currently collected. If passed, the fee would begin Fall 2011, be subject to reaffirmation in Spring 2013, and raise the total undergraduate student quarterly fee to \$3.75 during the academic year; the fee would remain at \$0.56 in the summer.

3) **Night & Weekend Parking [FAILED]**: Do you approve of a \$3.67 fee increase per undergraduate student for Fall, Winter, Spring and Summer quarters, to provide all undergraduate students access to on-campus Night and Weekend parking (\$2.36 will go to Transportation and Parking Services for Undergraduate Night and Weekend parking, 0.92 is for Return to Aid, an administrative assessment of \$0.14 will be charged to all non-capital expenditures and \$0.25 is for the Associated Students recharge fee)? If passed, no supplemental fees, vendor processing, or shipping and handling charges will be applied to undergraduate night and weekend parking permits. These permits will include parking for all events such as Halloween and will provide on-campus parking for undergraduate students living in Isla Vista. The fee is in addition to the \$3.33 per academic quarter (Fall, Winter, Spring and Summer) currently collected. If passed, the fee would begin Fall 2011, be subject to reaffirmation in Spring 2013 and raise the total undergraduate student quarterly fee to \$7.00 per quarter each quarter, including summer.

4) **UCSB Community Financial Fund [PASSED]**: The new AS UCSB Community Financial Fund program shall assist students by providing more access to grants and low interest student loans year-round. It will help supplement the current Associated Students emergency loans, currently funded out of the Associated Students membership fee. Once the new Community Financial Fund Fee is collected, all interest generated by the Fund itself shall be directed back into the program. Besides providing an expansion on the current Associated Students emergency loan, this Fund shall establish a credit builder program, regular financial literacy workshops, and personalized money management counseling through the creation of a professional and licensed staff position. The fund will also provide financial guidance for students looking to invest in green, sustainable enterprises, and other financial services.

Do you approve of a new \$3.00 fee per undergraduate for Fall, Winter, Spring and Summer quarters to support the UCSB Community Financial Fund (\$2.10 is for the UCSB Community Financial Fund, \$0.75 is for Return to Aid, an administrative assessment of \$0.13 will be charged to all non-capital expenditures and \$0.02 is for the Associated Students recharge fee)? If passed, the fee would begin Summer 2011 and be subject to reaffirmation in summer 2013.
