**A.S. Finance Board**

 PASSED

A.S. Finance Board is the financial arm of Associated Students responsible for all A.S. budget allocations, and funding of student programs, student events, educational, and recreational events held by student groups from the UCSB community. Student groups are responsible for the majority of on campus events and serve to educate the community, provide an outlet for students, and serve as an avenue for students to socialize. The A.S. Finance Board Lock-in Fee will be used specifically to fund over 400 registered student groups on campus. The funds generated from this lock in fee will be deposited into the Finance Board Unallocated fund from which registered student groups may request funding for their events. Do you approve of a mandatory fee of \$10.09 per undergraduate for Fall, Winter, Spring and Summer quarters to support the "Finance Board/Student Organization Program Funding Lock-In" (of the \$10.08 collected, \$2.52 is for return to aid, \$0.49 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.07 is for the AS recharge fee and \$7.00 will go to the "Finance Board/Student Organization Program Funding Lock-In")? If passed, the fee would begin Fall 2012 and be subject to every two years thereafter as mandated by the AS Constitution.

**AS Food Bank Fee**

 PASSED

The AS Food Bank Fee Initiative shall allow for funds to directly sustain stock of food and toiletries, support operational costs such as rent, transportation, and staff costs, and to allow for possible expansion of the existing on campus Food Bank in the future. The AS Food Bank provides all currently registered undergraduate UCSB students in financial need, with supplemental assistance through free food and toiletries. Additionally, this fee will provide for financial, medical, and housing referrals, including off-campus resources, and education concerning hunger and homelessness. Do you approve of a mandatory fee of \$1.80 per undergraduate for Fall, Winter, Spring and Summer quarters to support the AS Food Bank (of the \$1.80 collected, \$0.45 is for return to aid, \$0.09 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$1.25 will go to the AS Food Bank)? If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

**College Bound Program**

 FAILED

The fee will provide funding to create a College Bound Program that would provide new tutoring, mentoring, and outreach jobs for undergraduate and graduate students. The program would serve underrepresented K-12 youth in Santa Barbara County who do not currently have access to UCSB tutoring programs. Do you approve of a mandatory fee of \$7.62 per undergraduate for Fall, Winter, Spring and Summer quarters to support the College Bound Program (of the \$7.62 collected, \$1.90 is for return to aid, \$0.37 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.06 is for the AS recharge fee and \$5.29 will go to the College Bound Program)? If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

**COSWB**

 FAILED

The Commission on Student Well-Being (COSWB) is committed to promoting the well-being of UCSB students. The fee will allow COSWB to put on free programs such as weekly fitness activities, monthly film screenings on topics of mental and social well-being, and other wellness related events. We organize mental health mixers to inform students of available resources on-campus, as well as organize mental health summits to plan for collaborative projects with other mental health related groups at UCSB. We also run a yearly Anti-Stigma Campaign in order to reduce the stigma associated with mental illness and endorse a person's right to seek treatment. COSWB presents speakers on subjects of positive psychology and mental health issues, and other miscellaneous wellness events. The fee will be used to fund the many programs and services listed above that are offered free to the students, administrative costs, and allow COSWB to cosponsor other groups on campus who put on events for the well-being of UCSB students. Do you approve of a mandatory fee of \$1.44 per undergraduate for Fall, Winter, Spring and Summer quarters to support COSWB (of the \$1.44 collected, \$0.36 is for return to aid, \$0.07 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$1.00 will go to the COSWB)? The Bottom Line is UCSB's weekly student-run newspaper that provides an alternative print and online space for student investigative journalism, culturally and socially aware reporting and engaging commentary that addresses the diverse concerns of the student community, both on and off campus. Editors and staff members teach aspiring student journalists how to write, research and produce top-notch journalism through workshops, staff meetings, office hours and an all-inclusive learning environment. Through this fee, student journalists can continue to produce high-quality, alternative news content, photos, illustrations and multimedia projects for UCSB by purchasing more equipment and supplies, paying for printing and operating costs and traveling off-campus to report on important student events like UC Regents meetings, student conferences and student demonstrations.
